LSF-2

FEATURES

- 32" trough
- Programmable feeding up to 12 times per day
- 12.5 bushel / 500 lb hopper capacity
- Durable heavy duty 7-14 gauge steel construction and 100% powder coated inside and out
- Can handle 2 independent feeds
- Mounts to wall (not intended for outside use)
- Hand-wired electrical panels with 3 yr conditional warranty

BENEFITS

- Excellent for show beef
- Great for preparing show cattle
- Balanced diet throughout the day creates a calmer more docile animal
- Grain rationing provides less feed for better nutritional value, but not loss of growth
- Maintain animal health
- Increase overall operation efficiency and flexibility
- Low environmental impact
- Lower waste of feed
